

## REACH

### “Relational Evangelism”

Rev. Mitch Marlowe

John 1:40-42

June 7, 2026

#### I. See the People

- A. Those who have seen Jesus want others to know
- B. Those who know Jesus want others to see
- C. Who do you know that needs to see?

#### II. Serve the People

- A. People who need Jesus need to be served
- B. People who know Jesus need to serve (Mark 10:45)
- C. Who do you know that needs to be served?

#### III. Share with the People

- A. Andrew just didn't talk about Jesus, he took Simon to Jesus
- B. We simply make the introduction and Jesus takes over
- C. Who do you care about enough to bring them to Jesus?

#### IV. Show the People

- A. People need to see Jesus in us
- B. We need to see Jesus in each other
- C. What are you doing that shows others Jesus?

#### Application:

- Take a few moments and walk/drive around your neighborhood. Do all your neighbors know Jesus?
- What are some ways that you can invite others to church to meet Jesus?
- Who will be your one that you bring to Jesus this week?
